

# Louisburg Rec Quarterly

## Newsletter

October  
2020

### New website

The LRC is thrilled to have launched our new website. It provides real time updates about our programs. It allows you to register online, pay with credit card, complete forms electronically, view paid invoices and more. It also allows you to create a member profile so you won't have to spend time over and over filling out the same forms!

### Covid Update

We have followed Covid guidelines and have been able to continue our youth sports and enrichment programs. We finished the baseball/softball season and are currently playing football, soccer and volleyball. USD 416 has generously allowed us to continue using school facilities for our enrichment programs and events.

---

## Recent Enrichment Programs and Events

---

Little Miss Sunshine Pageant  
Fishing Camp  
Fall Wreath Decorating  
Hunter Safety Class  
Youth Soccer  
Youth Flag Football  
Youth Tackle Football
